What the Giveaway Includes

Pre-Wedding Planning Check-In

Prior to the wedding day, Laura will connect with the couple to review their timeline, décor plan, vendor details, and any important priorities. This allows her to fully understand the couple's vision and be prepared to assist throughout the day.

Day-Of Wedding Coordination

Laura will be present on the wedding day to help oversee the schedule and ensure

the timeline flows smoothly. She will help coordinate key moments throughout the day and assist with the overall flow so couples can focus on enjoying their celebration.

Vendor & Wedding Party Point of Contact

Laura will serve as a main point of contact for vendors and members of the wedding party throughout the day. This helps keep communication organized and prevents the couple from being interrupted with logistical questions.

Ceremony Coordination

Laura will assist with organizing the ceremony lineup and guiding the wedding party through the processional and recessional so the ceremony begins smoothly and on schedule.

Reception Table Decorating

Laura will assist with decorating reception tables using the couple's provided décor items. This includes placing linens, centerpieces, table numbers, candles, and other pre-prepared décor so the reception space is beautifully arranged before guests arrive.

Additional Décor Placement

Beyond reception tables, Laura can help place additional décor elements such as welcome signs, guest book displays, ceremony décor, and other personal touches provided by the couple.

Dessert & Display Setup

If the couple is planning a dessert table, late-night snack station, or specialty display, Laura will help arrange and set out these items so the presentation is polished and guest-ready.

Photography Timeline Assistance

Laura will help support the photography schedule by assisting with gathering family members for portraits, coordinating wedding party photos, and helping ensure the timeline stays on track throughout the day.

Wedding Party Assistance

Laura will help guide the wedding party when needed — gathering individuals for photos, helping keep the group organized, and assisting with small details that may arise during the day.

Personal Item Management

Laura can help manage important personal items such as vow books, rings (when

appropriate), gifts, or other meaningful details so they are where they need to be at the right time.

Light End-of-Night Assistance

At the end of the evening, Laura can assist with gathering décor items and placing them in designated pickup areas so important items are organized and ready for the couple or their family.
